PERPETUAL CHARITABLE & COMMUNITY INVESTOR FUND

February 2025

FUND FACTS

Investment objective: To provide income tax exempt charitable trusts and non profit organisations with long-term capital growth and to maximise income through investment in a diversified portfolio with an emphasis on Australian shares and alternative investments.

Suggested length of investment: Five years or longer

INVESTMENT APPROACH

The Fund combines investment managers with different investment styles and philosophies. The Fund is managed according to its investment guidelines which have a set exposure to each investment manager. The Fund is regularly reviewed and re-weighted to the set investment guideline. Re-weighting means realigning the asset allocation to the investment guidelines for each investment manager. This can help reduce the volatility of the investment by avoiding over exposure to a particular investment manager that has grown more quickly than another.
