Your Perpetual Select Super Plan – Changes to insurance premiums from 1 July 2024

Our insurer, AIA Australia Limited ABN 79 004 837 861 AFSL 230043, has recently reviewed the insurance premiums within the Select Super Plan. Effective from 1 July 2024, your total premium will be adjusted based on your age at 30 June 2024¹ and there will be additional changes to the premium rates for different types of cover as applicable to you:

- **Death Insurance:** premiums will decrease by 18.9%
- **Total and Permanent Disablement (TPD) Insurance:** premiums will increase by 8.5%
- **Salary Continuance Insurance (SCI):** no change to premium rates

You can access information about your current cover and premiums online through myPerpetual. Alternatively, this is available by calling us. Details regarding your insurance cover and premiums for the period starting 1 July 2024 will be available online via myPerpetual from mid-July and also in your annual statement that will be mailed in August.

¹ For existing members, annual premiums change based on your age at 30 June each year.

Why the Premium Changes?

The adjustments in insurance premiums are influenced by various factors, including past claims history. In the case of TPD insurance, higher claims have led to the need for increased premiums. For Death Insurance a more favourable claims experience has led to premium reductions.

No Changes to Policy Terms and Conditions

That there are no alterations to the terms and conditions of your insurance policy. Your existing coverage remains unchanged in this regard.

Action Steps

Remember that insurance premiums are deducted from your superannuation account, impacting your retirement savings. It's crucial to assess whether your current insurance arrangements align with your needs. Additionally, consider exploring alternative options to ensure you're making informed decisions. Your financial adviser, if you choose to have one, can assist you in evaluating various insurance products and their impact on your superannuation account. Remember, you have the flexibility to cancel, reduce, or modify your insurance cover at any time. If you wish to make any adjustments, please don't hesitate to contact us.
