PERPETUAL CHARITABLE ENDOWMENT FUND

October 2024

FUND FACTS

Investment objective: Aims to provide income tax exempt investors such as charitable endowments and foundations with income and long-term capital growth through an investment in a diversified portfolio with an emphasis on Australian Shares.

Suggested length of investment: Five years or longer

INVESTMENT APPROACH

The Fund combines investment managers with different investment styles and philosophies. For asset classes other than Diversified Alternatives, cash and derivatives, the Fund aims to invest in underlying funds which consider environmental, social, and governance (ESG) factors as part of their investment process. The Fund is managed according to its investment guidelines which have a set exposure to each investment manager. The Fund is regularly reviewed and re-weighted to the set investment guideline. Re-weighting means realigning the asset allocation to the investment guidelines for each investment manager. This can help reduce the volatility of the investment by avoiding over exposure to a particular investment manager that has grown more quickly than another.
